Turn your website into an eCommerce store with Pay Now Gateway

1 3 Ways to enable your online payments

- ✓ **Your Sage Pay account is already integrated into sage Online Tools**
- ✓ **Free Plugins**
Download 1 of 13 free plugins from www.sagepay.co.za
- ✓ **Custom integration**
Develop custom integration

2

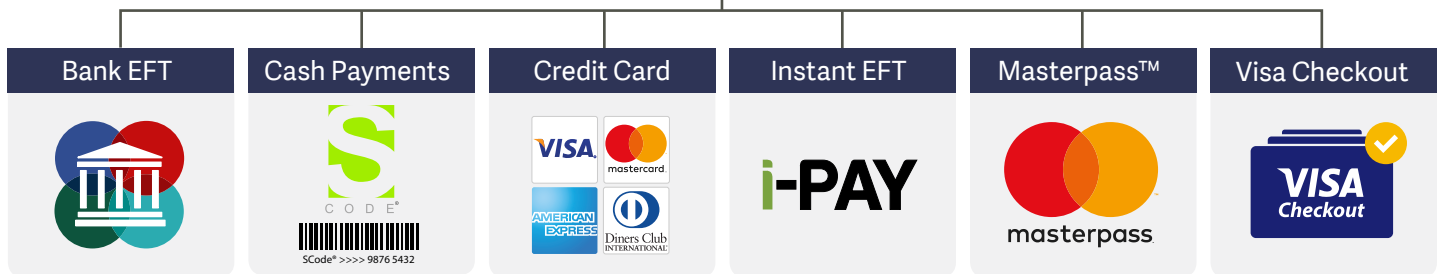

Customers load their shopping cart with online purchases.

3

Present your clients with a range of payment options when checking out.

4

Reconcile effortlessly off a single Sage Pay statement

- ✓ All payments, irrespective of type, reflect on a single statement.
- ✓ Our detailed statement allows you to:
 - Identify who paid you and
 - Identify which goods and services were paid for.

Which of these payment options would you like to offer your clients?

Instant EFT

- You will be notified immediately when payment has been made, ensuring **goods or services can be dispatched without delay.**
- Your clients can now **make real-time payments from 6 major banks** without having to recapture any bank details, leaving no room for error.
- Instant EFT is a guaranteed method of payment that ensures **no chargebacks or fraud.**

Bank EFT

- Your clients can now make payments to your Sage Pay account at any of the **5 major South African banks.**
- Improve your cash flow by having **access to your funds quicker.**

Credit Card

- **Accept local and international MasterCard and VISA payments.**
- **No need for credit card merchant facilities** at your bank.
- Our **transactions are 3D secure**, protecting you from fraud and reducing chargebacks.

Cash Payments

- **Clients can pay you using a unique barcode** by printing and presenting it to participating retail outlets.
- **Participating retail outlets** include Checkers, Checkers Hyper, Shoprite, OK, USave, House & Home, and the SA Post Office.

Masterpass™

- Offer your clients the **convenience of using their Masterpass digital wallet.**
- Masterpass allows for hassle-free, secure online **payments from their connected device.**

Visa Checkout

- **Helps increase conversion through a streamlined checkout process** to capture sales that would otherwise be lost.
- **Supports your business growth** with an expanding ecosystem of participating banks and merchants, which is building the Visa Checkout user base and offers the potential for new customers.
- Reduces fraud. With **advanced security tools, such as device fingerprinting and step-up authentication**, which authenticate consumers before they make a purchase.
